Does stealth power offer solar for shipping containers?

We are proud to partner with one of the leading providers of factory installed solar options for shipping containers. Learn more about the product and inquire below. Who is Stealth Power? Stealth Power provides fleet electrification and off grid solar solutions for customers of all kinds.

Which battery bank should I choose for the Instant off-grid containers?

Choose between a GEL Deep Cycle Sealed Lead Acid battery bank or a next-gen Lithium Iron bank. See below from more details and pictures. Pre-configured by RPS engineers. 370W solar panels power the Instant Off-Grid Containers. Each panel measures 69.1" x 40.9" x 1.4".

Can you put solar power in a shipping container?

There are many ways to skin a cat, and even more ways to add solar power to a shipping container. To be fair, I cheated a bit. Well, not really cheated, but I just went with a retail solar generator system instead of DIYing that part myself from la carte components.

Do you need a solar-powered off-grid charging shed?

Between my electric bikes, e-motorcycles, e-ATVs, electric tractors, and a few other things I'm probably forgetting, having a weather-sealed, solar-powered off-grid charging shed would be a big benefit.

Looking to build off-grid power solutions with shipping containers? Boxhub is the leading provider of new and used shipping containers for solar panel installations and battery storage.

LZY offers large, compact, transportable, and rapidly deployable solar storage containers for reliable energy anywhere.
