Earlier this year, state-owned utility Egyptian Electricity Holding Co. held an expressions-of-interest tender for the design, construction and operation of a 8.2 MW solar ...

Norwegian renewable energy producer Scatec has secured a 25-year PPA with the EETC for a 1 GW solar power plant and a 100 MW/200 MWh battery energy storage ...

Norwegian renewables developer Scatec has broken ground on its 1.1 GW solar and 100 MW/200 MWh battery energy storage project in Egypt. The project, billed as Egypt's ...

Earlier this year, state-owned utility Egyptian Electricity Holding Co. held an expressions-of-interest tender for the design, ...

Scatec, a Norwegian leader in renewable energy solutions, has officially commenced construction on its ambitious 1.1 GW Obelisk ...

The project will be constructed in two phases. The first phase of 561 MW solar + 100 MW/200 MWh battery storage is targeted to reach commercial operational date (COD) in ...

With a total project cost of over USD 700 million, the project comprises a 1,000 MW solar PV plant combined with a 600 MWh battery energy storage system (BESS) in the Aswan Governorate, ...

From energy storage system design to installation and maintenance, we offer a comprehensive "turnkey" industrial and commercial energy storage service that effectively addresses issues ...

Scatec ASA has signed a 25-year Power Purchase Agreement (PPA) with the Egyptian Electricity
