Alibaba Group's Chairman is Joseph C. Tsai. Other executives include Eddie Wu, Director and Chief Executive Officer; Toby Xu, Chief Financial Officer and 11 others.

Eddie Wu, chairman of its e-commerce group, will succeed Daniel Zhang as CEO, the company said in a statement Tuesday. Zhang will be CEO and chairman of Alibaba's cloud ...

Redox flow batteries (RFBs) have emerged as a promising solution for large-scale energy storage due to their inherent advantages, ...

In this article, we'll compare different redox flow battery materials, discuss their pros and cons, and explain why vanadium is the most promising choice for large-scale energy storage.

Alibaba announced a major leadership reshuffle on Tuesday, with CEO and Chairman Daniel Zhang planning to step down this year and be replaced by veterans at the ...

Abstract: As a promising large-scale energy storage technology, all-vanadium redox flow battery has garnered considerable attention. However, the issue of capacity decay significantly...

China's first megawatt iron-chromium flow battery energy storage demonstration project, which can store 6,000 kWh of electricity for 6 hours, was successfully tested and was ...

The large capacity can be used for load balancing on grids and for storing energy from intermittent sources such as wind and photovoltaics. The ...

In this article, we'll compare different redox flow battery materials, discuss their pros and cons, and explain

Malabo large capacity all-vanadium liquid flow battery

why vanadium is the ...

The flow battery systems incorporate redox mediators as charge carriers between the electrochemical reactor and external reservoirs. With the addition of solid active materials in ...

The photo-charging diagram of the self-charging vanadium iron energy storage battery is shown in Figure 1b, when the photoelectrode is illuminated by simulated sunlight of ...

Eddie Yongming WU has served as our Chief Executive Officer and director since September 2023. Eddie is one of our co-founders and a member of the Alibaba Partnership. Eddie was ...

Redox flow batteries (RFBs) have emerged as a promising solution for large-scale energy storage due to their inherent advantages, including modularity, scalability, and the ...

Eddie Wu, who stepped into the chief executive role on Sunday, said in a memo to staff seen by CNN. Wu replaced Daniel Zhang to become Alibaba (BABA) 's fourth CEO in its ...

This study demonstrates that the incorporation of 1-Butyl-3-Methylimidazolium Chloride (BmimCl) and Vanadium Chloride (VCl₃) in an aqueous ionic-liquid-based electrolyte ...

Alibaba, the Chinese e-commerce and tech giant, is switching up its leadership. Cofounder Eddie Wu will replace Daniel Zhang as CEO, the company announced Tuesday.
